

CLASSROOM GRANTS 2024 - 2025 SCHOOL YEAR

Directions is committed to helping educators in our communities with the support they need. We realize that more often than not, teachers use their own funds to supply their classrooms with the necessary tools to teach their students. Directions will donate a total of up to \$15,000 in Classroom Grants during the 2024-2025 school year. Individual grants will provide up to \$500 each to be used for a variety of projects and materials including but not limited to, books, software, math manipulatives, art supplies, audio-visual equipment, and lab materials. Educators K-12 who work in the communities Directions serves are encouraged to apply.
