CLASSROOM GRANTS 2026 - 2027 SCHOOL YEAR

Supporting Educators in Our Communities

Directions is proud to support the educators and school professionals who help students learn, grow, and thrive every day.

Whether you're inspiring curiosity in the classroom, guiding students through challenges, or supporting their health and well-being, we know you often go above and beyond to make a difference. That's why we're excited to offer Cares for Classrooms Grants, designed to help bring innovative ideas, meaningful programs, and valuable resources to life in schools and communities we serve.

Here's the exciting part:

We're awarding up to \$20,000 in total grants during the 2026–2027 school year, with individual grants of up to \$500 available to support projects, programs, supplies, and initiatives that positively impact K-12 students.

Whether you need:

Learning materials that spark curiosity

Technology that enhances engagement

Tools that support student wellness

Supplies for hands-on discovery and creativity

Resources that help students overcome challenges

Projects, programs, or resources that positively impact students

...we've got your back!

If you're a K–12 educator, school counselor, or school nurse in a community served by Directions, we encourage you to apply. Let us help bring your ideas to life and create meaningful opportunities for the student you serve.

Together, we can make a difference, one student, one project, and one success story at a time.

HOW TO APPLY:

**COMPLETE THE ONLINE
APPLICATION AT:**
