24 Month	4.20% / 4.28%								
	/								

### ACCOUNT DISCLOSURES

**Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.**

**1. RATE INFORMATION** — The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For all accounts, the dividend rate and annual percentage

yield are fixed and will be in effect for the initial term of the account. For accounts subject to dividend compounding, the annual percentage yield is based on an assumption that dividends will remain on deposit until maturity. A withdrawal of dividends will reduce earnings.

**2. DIVIDEND PERIOD** — For each account, the dividend period is the account's term. The dividend period begins on the first day of the term and ends on the maturity date.

**3. DIVIDEND COMPOUNDING AND CREDITING** — The compounding and crediting frequency of dividends are stated in the Rate Schedule.

**4. BALANCE INFORMATION** — To open any account, you must deposit or already have on deposit the minimum required share(s) in a Primary Shares account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth in the Rate

**LOANLINER**

Schedule. For all accounts, dividends are calculated by the daily balance method which applies a daily periodic rate to the principal in the account each day.

**5. ACCRUAL OF DIVIDENDS** — For all accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account. You may not make withdrawals of dividends from your account before maturity unless you arrange for monthly dividend payments when opening the account. A withdrawal of dividends will reduce earnings.

**6. TRANSACTION LIMITATIONS** — For all accounts, your ability to make deposits to your account and any limitations on such transactions are stated in the Rate Schedule. For all accounts, you may make withdrawals of principal subject to the early withdrawal penalties stated below. For My Life Youth Certificate accounts, you must be under age 24.

**7. MATURITY** — Your account will mature as stated on this Truth-in-Savings Disclosure or on your Account Receipt or Renewal Notice.

**8. EARLY WITHDRAWAL PENALTY** — We may impose a penalty if you withdraw funds from your account before the maturity date.

**a. Amount of Penalty.** For all accounts, the amount of the early withdrawal penalty for your account is based on the term of your account. Terms of twelve (12) months or less, the penalty will be all dividends earned, whether paid or not, up to 90 days' dividends. For accounts with terms of thirteen (13) to twenty three (23) months the penalty will be all dividends earned, whether paid or not, up to 120 days' dividends. With terms of twenty four (24) months to forty seven (47) months, the penalty will be all dividends earned, whether paid or not, up to 180 days' dividends. With terms of forty eight (48) months to sixty (60) months, the penalty will be all dividends earned, whether paid or not, up to 365 days' dividends. In no case will the penalty be less than seven (7) days' dividends.

**b. How the Penalty Works.** The penalty is calculated as a forfeiture of part of the dividends that have been or would be earned on the account. It applies whether or not the dividends have been earned. In other words, if the account has not yet earned enough dividends or if the dividends have already been paid, the penalty will be deducted from the principal.

**c. Exceptions to Early Withdrawal Penalties.** At our option, we may pay the account before maturity without

imposing an early withdrawal penalty under the following circumstances:

(i) When an account owner dies or is determined legally incompetent by a court or other body of competent jurisdiction.

(ii) Where the account is an Individual Retirement Account (IRA) and any portion is paid within seven (7) days after the establishment of the account; or where the account is a Keogh Plan (Keogh), provided that the depositor forfeits an amount at least equal to the simple dividends earned in the amount withdrawn; or where the account is an IRA or Keogh and the owner attains age 59½ or becomes disabled.

**9. RENEWAL POLICY** — The renewal policy for your accounts is stated in the Rate Schedule. For accounts that automatically renew for another term, you have a grace period of ten (10) days after maturity in which to withdraw funds in the account without being charged an early withdrawal penalty. For Certificate Specials that automatically renew for another term, your certificate will renew to the next longest Standard Certificate account. For accounts that do not automatically renew for another term, the account balance will be transferred to another account of yours upon maturity. You will not be paid dividends after the maturity date. For Certificate Specials that do not automatically renew for another term, the account balance will be transferred to your S1 account unless specified otherwise. You will not be paid dividends on the account after the maturity date.

**10. NONTRANSFERABLE/NONNEGOTIABLE** — Your account is nontransferable and nonnegotiable.

**11. MEMBERSHIP** — As a condition of membership, you must purchase and maintain the minimum required share(s) as set forth below.

Par Value of One Share	\$5.00
Number of Shares Required	1
