ACCOUNT DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-In-Savings Disclosure are share accounts.

1. RATE INFORMATION. The Annual Percentage Yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For Primary Shares, Other Shares, Traditional IRA Share, Roth IRA, Coverdell Education Savings, Holiday Club, Money Management, High Yield Savings, Investment Checking, Health Savings, and Advantage Checking accounts, the Dividend Rate and Annual Percentage Yield may change at any time as determined by the Credit Union's Board of Directors. The Dividend Rates and Annual Percentage Yields are the prospective rates and yields the Credit Union anticipates paying for the applicable dividend period. Money Management, High-Yield Savings, Investment Checking, and Health Savings accounts are tiered rate accounts. The balance ranges and corresponding dividend rates and annual percentage yields applicable to each tier are disclosed in the Rate Schedule. For Money Management, High-Yield Savings, Investment Checking, and Health Savings accounts, once a particular range is met, the dividend rate and annual percentage yield for that balance range will apply to the full balance of your account.

2. NATURE OF DIVIDENDS. Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.

3. DIVIDEND COMPOUNDING AND CREDITING. The compounding and crediting frequency of dividends and dividend period applicable to each account are stated in the Rate Schedule. The Dividend Period is the period of time at the end of which an account earns dividend credit. The Dividend Period begins on the first calendar day of the period and ends on the last calendar day of the period.

4. ACCRUAL OF DIVIDENDS. For all earning accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account.

5. BALANCE INFORMATION. To open any account you must deposit or already have on deposit the minimum required share(s) in a Primary Shares account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are stated in the Rate Schedule. For Investment Checking and Advantage Checking accounts, there is a minimum Daily Balance required to avoid a service fee for the dividend period. If the minimum daily balance is not met during each day of the dividend period, there will be a service fee as stated in the Schedule of Fees and Charges. For Primary Shares, Youth Savings, Holiday Club, Other Shares, Traditional IRA Share, Roth IRA, Coverdell Education Savings, Money Management, and Advantage Checking accounts, there is a minimum Daily Balance required to earn the Annual Percentage Yield disclosed for the dividend period. If the minimum daily balance is not met each day of the dividend period, you will not earn the stated Annual Percentage Yield. For accounts using the Daily Balance method as stated on the Rate Schedule, dividends are calculated by applying a daily periodic rate to the balance in the account each day.

6. ACCOUNT LIMITATIONS. For Holiday Club accounts, the entire balance will be transferred to another account of yours on or after September 30th and the account will remain open. No withdrawals will be made from your Holiday Club accounts during the club period from October 1st through September 30th. Upon a withdrawal from your Holiday Club account the account will be closed and the balance will be transferred to your Primary Shares account. For High Yield Savings accounts, there are no check writing privileges and debit cards are not available. High Yield Savings account holders must be enrolled to receive eStatements. For Primary Shares, Youth Savings, Other Shares, Traditional IRA Share, Roth IRA, Coverdell Education Savings, Money Management, Investment Checking, Health Savings, Advantage Checking and Basic Checking accounts, no account limitations apply.

7. FEES FOR OVERDRAWING ACCOUNTS. Fees may be imposed on each check, draft, item, ATM card withdrawal, debit card point of purchase, preauthorized automatic debit, telephone initiated withdrawal or any other electronic

withdrawal or transfer transaction that is drawn on an insufficient available account balance. The entire balance in your account may not be available for withdrawal, transfer or paying a check, draft or item. You may consult the Membership and Account Agreement and Funds Availability Policy Disclosure for information regarding the availability of funds in your account. Fees for overdrawing your account may be imposed for each overdraft, regardless of whether we pay or return the draft, item or transaction. If we have approved an overdraft protection limit for your account, such fees may reduce your approved limit. Please refer to the Schedule of Fees and Charges for current fee information.

8. MEMBERSHIP - As a condition of membership, you must purchase and maintain the minimum required share(s) as set forth below.
